

March 1, 2019

Dear Valued Customer;

As you know, 2018 brought many changes to Mills Escrow. It has been a pleasure getting to know each of you and we look forward to continuing a prosperous business relationship with you in the future.

Thanks to the generous feedback we have received from many of you and as part of our commitment to improve our service, we are pleased to announce the launch of our brand-new website! After two months of hard work and dedication, we are delighted to officially announce the launch on March 1st, 2019. The new site launch is available and the URL is www.millsescrow.com

Our goal with this new website is to provide our clients an easier way to learn about Mills's services, solutions and also to allow the client to browse information based on their own choice. The new website is interactive and gives better access on various plate forms. Our current and prospective clients will find useful information about our services on the homepage of our website

Amongst the new features, the site contains access for the Borrowers View Central, which allow the borrower access to his or her account 24/7, view online reports and payment history. We believe that this change will be beneficial to you and your business.

We thank you for your continued patronage and are always grateful for any suggestions you may have. Should you have any questions or require any additional information, please feel free to contact our office.

Sincerely,

Rami Abdeljaber
President & CEO
